 - C. The home use must comply with all local zoning regulations.
25. No nuisances shall occur or continue, nor shall the premises be used in any way, for any purpose, which may endanger the health, or unreasonably disturb the quiet enjoyment of any other Owner within the Subdivision.

28. The Grantor, its successors and assigns, in conjunction with the City of Mentor and or the Mentor City Engineer, reserve the sole and exclusive right to establish and approve grades and slopes on any lots to be conveyed and to fix the grade at which any dwelling or permitted structure shall be erected or placed thereon so that the same conform to the general grading plan. No grade may be changed after the construction of any dwelling or permitted structure without the express written consent of the Grantor, its successors or assigns, and the Mentor City Engineer.
29. The Grantor, its successors or assigns, shall have the right to arrange garbage pickup by a single hauler. If the Grantor elects to arrange single hauler rubbish and/or recycling pickup, all Owners shall be required to use the approved provider.
30. No lot shall be subdivided unless the plat showing the subdivision shall have been submitted to the Grantor, its successors or assigns, and the written consent of said Grantor, its successors or assigns, and the City of Mentor Planning Commission to subdivide has been obtained. The Grantor, its successors or assigns have sole approval as to whether such subdivision shall or shall not be permitted, and in the case of the subdivision of said premises, the restrictions, rights, reservations, limitations, agreements, covenants, and conditions herein contained, shall apply to each of the lots to which said premises shall be subdivided. No easement shall be granted without the written consent of the Grantor, its successors or assigns. No lot may be used for access to adjacent properties.
31. The Grantor has formed The Lakeshore Highlands Homeowners' Association, Inc. (hereinafter referred to as the Association), an Ohio non-profit corporation.
32. The Association shall have full responsibility for complete maintenance of the Common Area landscaping, both at the entrances and in the green space areas not otherwise included within the required Restricted Open Space in accordance with the City of Mentor Zoning Resolution, as well as maintenance of any walking paths installed.
33. Every record Owner of a fee simple title to any lot in the Subdivision, as a condition of ownership, shall be a member of the Association. As a member, each Owner agrees to abide

by the Articles of Incorporation, Code of Regulations and Resolutions of said Association. Upon the sale of each subplot to an Owner (not a builder holding for an Owner or for dwelling for sale), the purchaser shall pay an initial assessment of \$250.00 to the Association through escrow to initially fund the obligations of the Association. Thereafter, the purchaser shall pay an annual fee as determined by the Association as required to fund the duties and obligations of the Association. Grantor shall not be required to pay such assessments for any unsold lots remaining in the Grantor's name.

34. The Association shall have two classes of voting members, as follows:

Class "A"- Class A members shall be Owners, with the exception of the Grantor, and shall be entitled to one voter for each lot owned. When more than one person holds an ownership interest in a given lot, all such persons shall be members, and the vote for each lot shall be exercised as they may determine among themselves. In no event shall more than one vote be cast with respect to any lot owned by Class A members.

Class "B"-The Class B member shall be the Grantor, who shall be entitled to exercise ten votes for each lot owned by Grantor. Each lot sold by Grantor, its successors and assigns shall be converted to Class A membership upon title transfer. The Class B membership shall cease upon the transfer of all sublots in the Subdivision.

35. Grantor hereby covenants, for each lot within the development, and each owner is hereby deemed to covenant by acceptance of the Deed for such owner's lot, whether or not it shall be expressed in the Deed, to pay the Association: (1) general assessments; and (2) special assessments. Such assessments shall be made equally against each subplot owned by a Class A member. The amount and frequency of such assessments shall be determined by the majority vote of the Association and shall be an amount necessary to fund operations required of the Association and promote the health, safety, and welfare of the residents of the development.

36. Any association fee or assessment not paid within thirty (30) days after the due date shall be deemed to be in default and shall bear interest from the due date at the rate of twelve (12%) per annum. The Association may bring an action against the owner personally obligated to pay the same, or may foreclose the lien against the lot.

37. General and special Association assessments, together with interest, costs and reasonable attorney fees, occasioned by an owner's delinquency in payment of any assessments as hereinafter provided, shall be a charge on the land and a continuing lien upon each lot upon which such assessments are made. Each assessment, together with such interest, costs and attorney fees, shall also be a personal obligation of the owner of the lot at the time the assessment falls due, but such personal obligation shall not pass to a successor in title to the lot, unless expressly assumed by each successor.

38. The assessment lien provided for herein shall be subordinate to the lien of any first mortgage on a lot, but shall not be subordinate to any other mortgage lien unless the written consent of the Association to such further subordination is recorded in the Lake County Recorder's Office. A sale or transfer of any lot shall not affect the assessment lien against the lot, provided, however, the sale or transfer of any lot pursuant to foreclosure, or any proceeding in lieu thereof at which the assessment lien is duly recognized as a claim against the sale proceeds, shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve a lot from liability for any assessments thereafter becoming due or from the lien for such assessment.
39. Declarant hereby establishes an Architectural Control Committee (Committee) consisting of three members, two of whom shall be approved builders appointed by the Declarant and the remaining member shall be the Declarant or a representative duly appointed by the Declarant. The Committee may unanimously designate a representative to act for it. Declarant shall have the sole power to appoint the other committee members as long as Grantor retains ownership to any subplot in the subdivision. At such time as all of the sublots have been sold by the Grantor, Declarant shall no longer retain a position on the Committee. After all lots have been sold and all dwellings to be built have been approved, the Architectural Control Committee shall be turned over to the Homeowner's Association.
40. The Architectural Control Committee's approval or disapproval as required in these covenants shall be in writing. In the event the Committee or its designated representative fails to approve or disapprove within 15 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been complied with.
41. A failure of the Grantor, his successors or assigns, to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained in this Declaration of Restrictions shall in no event be construed, taken or held to be a waiver thereof or acquiescence in or consent to any further succeeding breach or violation thereof, and the Grantor, its successors and assigns, shall at any and all times, have the right to enforce the same.
42. Until such time as all of the lots within the Lakeshore Highlands Subdivision have been sold, the Grantor, its successors and assigns, reserve the right to waive, amend, change or cancel any and all of the restrictions contained in this Declaration. **However, in order to preserve the character of the neighborhood in perpetuity, restrictions numbered 1 through 12 and 43 shall not be amended or changed without the approval of the City of Mentor.**

These covenants are to run with the land and shall be binding upon and be for the benefit of the Grantor and all parties and persons claiming under him for a period of thirty (30)

years from the date these restrictions and covenants are recorded, after which time said restrictions and covenants shall be automatically extended successively in increments of ten (10) years unless an instrument signed by the majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or part.

43. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant or restriction either to restrain violation or to recover damages.
44. Invalidation of any one of these covenants by judgement or a court order shall in no way affect any of the other provisions, which shall remain in full force and effect.
45. In the event of any dispute or enforcement of any covenant arising out of or relating to these restrictions, it is agreed that the exclusive forum for determination of any and all such disputes shall be Lake County Common Pleas Court. Grantor and all owners of lots in the subdivision waive their right to a jury trial. The prevailing party shall be entitled to recover its attorney fees and costs incurred in regard to any dispute or enforcement action.

IN WITNESS WHEREOF, the Grantor has hereunto fixed his hand this _____ day of _____, 2017.
